Trust Agreement
SECOND 1970 Series
111 West Monroe Street
Chicago, Illinois 60670

Gentlemen:

Referring to Section 5.06 of the Equipment and Collateral Trust Agreement, dated as of August 15, 1970, between you, as Trustee, and North American Car Corporation, a Delaware corporation, as Lessee, North American Car Corporation hereby agrees with you as follows:

1. The cars described in Exhibit I, which were a part of the Trust Equipment (as defined in said Agreement) have been destroyed or otherwise disposed of or became unsuitable or unnecessary for the use of the Company (hereinafter the "Released Cars") in accordance with the terms of said Agreement. The fair market value of the Released Cars immediately prior to such destruction or other such disposition is set forth in Exhibit I and is equal to or greater than any sale price thereof. By execution hereof, the Trustee hereby releases and quitclaims over to North American any and all interest of the Trustee in and to the Released Cars set forth in Exhibit I under the Agreement.
2. The Released Cars have been replaced by the cars described in Exhibit A (the "Added Cars"), which have been delivered to North American, as Lessee, are marked as required by Section 3.04 of said Agreement and have the cost set forth in Exhibit A which is less than the fair market value thereof.
3. All other cars constituting a part of the Trust Equipment at the date hereof are in existence and in interchange condition. In the case of any Trust Equipment repainted during the preceding year, the marking required by Section 3.04 of said Agreement has been preserved or repainted cars have again been marked as required by said Section.

4. The Trust Equipment has been insured against loss or damage in accordance with the terms of the Agreement.

The undersigned agent is hereby designated by you to accept delivery and certify as to the marking of cars and he hereby certifies to you that said Added Cars have been delivered to him as such agent.

North American herewith delivers to you (a) a Bill of Sale transferring title to you, as Trustee, to such replacement cars, and (b) the opinion of Counsel, as to your title to such Added Cars, both complying with the requirement of said Agreement.

North American Car Corporation requests that you execute this instrument in the space provided below, in consideration hereof, for the purpose of constituting this instrument a Supplement to the Agreement. Said Agreement shall continue in full force and effect except as amended herein. To the extent the Agreement requires certification as to any of the above items, the signature of the officer named below shall constitute such certification.

Very truly yours,
